## SUMMER PASSPORT ACTIVITIES IN-PERSON OR ON ZOOM

June 15th to  
August 6th, 2022

Hill Aerospace Museum's **STEAM Summer Passport Program** will take place from June 15th through August 6th this year! *Join us in-person Thursday through Saturday* for science lessons with fun experiments! *Those wishing to join us for lessons with a special focus on history and art* can join us both in person at the museum or virtually on Wednesdays at 11:00 A.M. After students have participated in five classes, they may report to museum staff to receive a special pin and graduation certificate. Event registration will be required. All programming is FREE. Registration opens May 4th, 2022."
