SUMMER PASSPORT

ACTIVITIES

IN-PERSON OR VIRTUAL

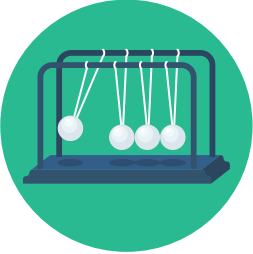

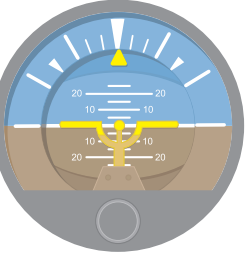

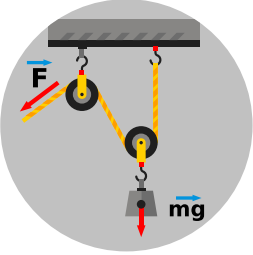

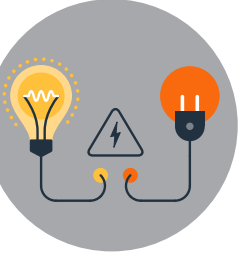

HILL
AEROSPACE
MUSEUM
HILL AIR FORCE BASE | UTAH

**June 15th to
August 14th, 2021**

Hill Aerospace Museum's **STEM Summer Passport Program** will take place from June 15th through August 14th this year! **Join us in-person Wednesday through Saturday** for free lessons and fun science experiments! **Those wishing to stay at home can tune in here:** [facebook.com/hillaerospacemuseum](https://www.facebook.com/hillaerospacemuseum) on Tuesday mornings at 11:00 AM for special STEM highlights and experiments! After students have participated in five of the classes, report to museum staff to receive a special pin and graduation certificate. In-person event registration will be required to allow for social distancing.

To register, please visit: hillaerospacemuseum-stemsummerprogram.eventbrite.com.
